

Walt Whitman Middle School

Community Service: Record of hours and Reflection Log

As an IB world school, all students at Walt Whitman Middle School are required to devote at least 15 hours to their community. Students are asked to participate in community service activities and log their hours on this form and return to their Social Studies teacher by June 1st. All hours logged during students 7th grade school year and over the summer will count towards their 15 hour requirement. Students that complete 15 hours will be recognized and awarded at the awards ceremony at the end of the year.
